

COZY LIVING COMMUNITY

CORE VALUES

Jump on The Grenade

We are empowered to quickly respond to and handle problems that may arise. Those who are closest to the problem are expected to resolve the problem, therefore reduce the chance of this problem becoming a larger one. If left untreated, the problem may affect more people in the Cozy Living team.

Play as a Team

At Cozy Living Community, we smile, laugh, and have fun while working together as a team

Boundarylessness

Every day brings an opportunity to grow and learn. We are encouraged to set goals and go after them. The sky is the limit! We believe that education is the key to growing. Our company provides a variety of education and learning opportunities.

Leaders Eat Last

We all act as leaders with or without an established title. Every decision, and action made should be for the good of the client and the Cozy Living Community team. As leaders, we are expected to make sacrifices to maintain a safe, productive, and nurturing working environment.

We Listen, We Care, We Serve

We care for our residents in a holistic manner, meeting their physical, mental, spiritual, and social needs. We are empowered to create unique, memorable, and personal experiences for our residents, families, and visitors.

“Good Teamwork Brings Excellent Care”
